Monty was a great friend and a gentle giant. Loyal and warmly respected by all who knew him. Mary, you are in our thoughts and prayers. Joe and Sheila Corey

Monty was a fine fellow! A good pilot and a Great House Mother at our Manchester crash pad at LAX in the late 1960"s. "A Smooth Flight West

Mary and Monty were always long on humor and hospitality. They were the first to welcome us to the 194th Fighter Interceptor Squadron in 1970. At a welcoming get-together they put us onto High Sierra back packing. They were a blessing to us and to our flying companions.
