

### DEFINITION

GENERAL: Leaps tall buildings with a single bound; is more powerful than a locomotive and faster than a speeding bullet. He walks on water and he gives policy to God.

COLONEL: Leaps short buildings with a single bound and is more powerful than a switch engine. He is almost as fast as a speeding bullet. He walks on water if the sea is calm and occasionally talks with God.

LT COLONEL: Leaps short buildings with a running start and favorable winds; is almost as powerful as a switch engine and is faster than a speeding BB. He walks on water in indoor swimming pools. Talks with God if approved by the above authority.

MAJOR: Barely clears quonset huts; loses tug of war with locomotive but can fire a speeding bullet. He swims well and is occasionally addressed by God.

CAPTAIN: Makes high marks when trying to leap low buildings but is run over by locomotives. He can sometimes handle a gun without inflicting self-injury. Usually dog-paddles in kiddie pools. Talks to animals.

FIRST LIEUTENANT: Runs into buildings; recognizes locomotives two out of three times and is not issued ammunition. He can stay afloat if properly instructed in Mae West procedures and he also talks to animals.

SECOND LIEUTENANT: Falls over doorstep when trying to enter buildings; says "look at the choo-choo". Wets himself with a water pistol. Mumbles to himself.

WARRANT OFFICER: Same as First Lieutenant.

SEASONED SERGEANT: Lifts buildings and walks under them; kicks locomotives off the tracks. Catches speeding bullets in his teeth and eats them. Freezes water with a single glance. He is second only to God!
